

	Time	Lecturer	Position	Presentation topic	Photo	
The first day (Tuesday) January 24, 2023	7:30-8:00	Reception				
	8:00-8:20	Recitation of the holy Quran and playing the national anthem of the Islamic Republic of Iran				
	8:20-8:30	Dr. Kamran Bagheri Lankarani	Congress Chairman, Faculty member of Shiraz University of Medical Sciences Director of the Health Policy Research Center, Shiraz University of Medical Sciences	Welcome speech; Congress goals and importance		
	8:30-8:40	Dr. Seyed Jalil Masoumi	Secretary of the Congress, Faculty member of Shiraz University of Medical Sciences and Health Services and Head of the Incubator Center of Information Technology, Shiraz University of Medical Sciences	Speech of the Secretary of the Congress		
	8:40-8:45	Stock Video of the Congress				
	8:45-8:55	Dr. Seyed Vahid Hosseini	President of Shiraz University of Medical Sciences	Speech of the President of Shiraz University of Medical Sciences		
	8:55-9:05	Dr. Mohammad Hadi Imanieh	Faculty member of Shiraz University of Medical Sciences, governor of Fars Province	Speech of the governor of Fars Province		
	9:05-9:15	Dr. Mohammad Moazeni	President of Shiraz University	Speech of the President of Shiraz University		
	9:15-9:25	Dr. Hamidreza Banafsheh	Director of Health Technology Development center, the Ministry of Health and medical education	Speech of Director of Health Technology Development center, the Ministry of Health and Medical Education		
	9:25-9:35	Ms. Ramata Almayy Mbaye	Director of the Human and Social Sciences Sector at the Islamic World Educational, Scientific and Cultural Organization (ICESCO)	The speech of the director of the Human and Social Sciences Sector at the Islamic World Educational, Scientific and Cultural Organization (ICESCO)		

	Time	Lecturer	Position	Presentation topic	Photo	
The first day (Tuesday) January 24, 2023	09:35-09:45	Dr. Mohammad hassan Asadi	Mayor of Shiraz	The speech of the Mayor of Shiraz		
	09:45-10:15	Exhibition Opening/ Reception				
	10:15-10:35	Dr Ashkan Mowla	Assistant Professor of Neurosurgery Department, University of Southern California (USC) - USA	Role of Mobile Applications in the Management of Cerebrovascular Diseases		
	10:35-10:55	Dr Mojtaba Hosseini	Assistant Professor at BTH University and MBA Program Manager- Sweden	A review and selection of the best revenue models for m-health startups		
	10:55-11:15	Omid Pournik	Faculty member of Iran University of Medical Sciences, Senior Fellow at the University of Birmingham- England	Integrated Patient-based Healthcare approach		
	11:15-11:35	Dr Cenk Tezcan	Entrepreneur, Futurist, and Expert in Healthcare- Turkey	Using mobile phones for health promotion		
	11:35-11:55	Dr Nadeem Mahmood	Associate Professor of Computer Science Department, University of Karachi- Pakistan	Role of Mobile Applications in the Management of Cerebrovascular Diseases		
	11:55-13:30	lunch/ Prayer break				
	13:45-14:30	Presentation of Papers				

The first day (Tuesday) January 24, 2023	Workshop Title: Introduction of nutrition analysis software (food analysis, anthropometry, diet therapy, risk assessment) Time : 13:30-16:30			
	Post	Name	Position	Photo
	Workshop manager	Dr. Marzieh Akbarzadeh	Ph.D in Nutrition, Faculty member of Shiraz University of Medical Sciences	
	Instructor	Dr. Maryam Abdollahzadeh	Ph.D in Nutrition	
	Instructor	Mohammad Ali Mohsenpour	Ph.D candidate in Nutrition	
Instructor	Hamid Qalandari	Ph.D candidate in Nutrition		

پنجمین کنگره بین المللی سلامت همراه

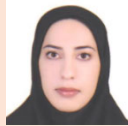

ایران - شیراز

۴ لغایت ۶ بهمن ماه ۱۴۰۱

The first day (Tuesday) January 24, 2023	Workshop Title: International Classification of Diseases (ICD-11) Time : 13:30-16:30			
	Post	Name	Position	Photo
	Workshop manager	Dr. Roksana Sharifian	Ph.D in health information management, faculty member of Shiraz University of Medical Sciences	
Instructor	Sajid Arabian	Ph.D candidate in health information management		

The first day (Tuesday) January 24, 2023	Workshop Title : Familiarization with the principles for the design of mobile apps and mobiles environments Time : 16:30-20:00			
	Post	Name	Position	Photo
	Workshop manager	Dr. Nahid Zarifsanaiey	Ph.D in The Education Management and Planning, Faculty member of Shiraz University of Medical Sciences	
	Instructor	Dr. Zahra Karimian	Ph.D in higher education administration, Faculty member of Shiraz University of Medical Sciences	
	Instructor	Dr. Manoush Mehrabi	Ph.D in The Education Management and Planning, Faculty member of Shiraz University of Medical Sciences	
Instructor	Mr. Dayush Rezaei	Master of software engineering		

	Time	Lecturer	Position	Presentation topic	Photo	
The Second day (Wednesday) January 25, 2023	Application of Mobile Health in Nutritional Disorders					
	8:30-8:50	Dr David Levin	Assistant Professor of Medicine, Harvard Medical School, Medical Director, Strategy and Innovation at Brigham and Women's Hospital - USA	Remote Physician Care For Home Hospital Patients: A Randomized Controlled Trial		
	8:50-9:15	Dr. Seyed Jalil Masoumi	Ph.D in Nutrition, Faculty member of Shiraz University of Medical Sciences	Online nutritional support and its impact on improving health indicators		
	9:15-10:00	Dr. Abdolreza Nowrozi	Ph.D in Nutrition, Faculty Member of Mashhad University of Medical	Nutritional support for Critically ill COVID-19 patients with the experience of using electronic nutrition services		
	10:00-10:15	Break/ Reception/ Presentation of Papers				
	10:15-11:00	Dr. Mahdyeh Hosseinzadeh	Ph.D in Nutrition, Faculty Member of Shahid Sadoughi University of Medical Sciences, Yazd	Application of nutrition models that can predict chronic diseases using artificial intelligence techniques in adults		
	11:00-11:45	Dr. Marzieh Akbarzadeh	Ph.D in Nutrition, Faculty member of Shiraz University of Medical Sciences	Digital health interventions for lifestyle modification and improved eating behaviour		
	11:45-12:45	lunch/ Prayer break				
	12:45-14:00	<p style="text-align: center;">Panel: The role of virtual space in nutrition therapy of clients and patients Chair of the panel: Dr. Najmeh Hejazi</p> <p style="text-align: center;">Panel members: Dr. Zahra Sohrabi, Dr. Shiva Faqih, Dr. Mohammad Hassan Eftekhari, Dr. Siavash Baba Jafari, Dr. Afsaneh Ahmadi</p>				
	13:00-13:30	Presentation of Papers

	Time	Session Titles
The Second day (Wednesday) January 25, 2023	8:30-09:00	Welcome Reception
	09:00-9:10	Welcome Speech
	09:10-09:30	Startup Pitch Deck
		Referees' Committee
	9:30-9:45	Lecture
		Sharing International Startup Experiences (USA and Canada)
	09:45-10:00	Lecture
		Sharing International Startup Experiences (Australia and New Zealand)
	10:00-10:15	Lecture
		Sharing International Startup Experiences (Europe)
	10:15-11:00	Startup Panel
	11:15-12:15	Startup Pitch Deck
		Referees' Committee
12:15-12:30	Closing	

	Time	lecturer	Position	Presentation topic	Photo	
The Second day (Wednesday) January 25, 2023	Mobile Health in Medical Imaging					
	08:00-08:20	Dr. Alireza Shakibafard	Radiologist, Head of the Society of Radiology of Fars province	Digital health, Mobile health in medicine		
	8:20-08:40	Dr. Mehrdad Sharifi	Doctor in emergency medicine, Faculty member of Shiraz University of Medical Sciences	Artificial intelligence applications in medicine		
	08:40-09:00	Dr. Mehrzad Lotfi	Radiologist, Faculty member of Shiraz University of Medical Sciences	Applications of artificial intelligence in medical imaging		
	09:00-09:20	Dr. Naheed Abolpour	Ph.D. in Biomedical Engineering	Modeling of cortical layers of Visual processing		
	09:20-09:40	Dr. Reza Boostani	Ph.D in Computer Science and Engineering, Faculty member of Shiraz University	Artificial intelligence and medical signals		
	09:40-10:00	Dr. Kamran Kazemi	Ph.D in Electrical Engineering-Communication Systems, Faculty Member of Shiraz University of Technology	Artificial intelligence and medical images		
	10:00-10:15	reception/break Presentation of Posters and Papers				
	10:15-10:35	Dr. Dawood Fatahi	Postdoc in Biomedical Engineering at Shiraz University of Medical Sciences	artificial intelligence-based processing of neonatal chest sound: a telemedicine approach		
	10:35-10:55	Dr. Seyed Sattar Hashemi	Ph.D in Computer and Information Sciences, artificial intelligence, Faculty member of Shiraz University	Online detection of COVID-19 based on CT images using artificial intelligence		

	Time	lecturer	Position	Presentation topic	Photo	
The Second day(Wednesday) January 25, 2023	Panel Title: Remote "Care at Home" ecosystem					
	10:55-11:07	Dr. Hamidreza Dehghan	Ph.D in Biomedical Informatics, Head of Health Technology Assessment & Medical Informatics Research Center, Yazd University of Medical Sciences	Remote "care at home" ecosystem:Challenges,requirements, strategies		
	11:07-11:19	Dr. Shirin Ayani	Ph.D in Biomedical Informatics, ecosystem business manager of Manaman	Remote "care at home" ecosystem: A conceptual model		
	11:19-11:31	Alireza Abedini	Technical leader of Manaman ecosystem	The fundamental role of IoT in remote "care at home" ecosystem		
	11:31-11:43	Leila Kabootarizadeh	Master of Manaman Ecosystem	Investgation of Manaman : an instance of an implemented solution		
	11:43-11:55	Dr. Farid Khorami	Ph.D in health information management, director of information technology and statistics center , Hormozgan province	Remote care at home (Past, Present, Future)		
	11:55-13:00	lunch/Prayer break				
	13:00-13:30	Presentation of Papers				

	Time	Lecturer	Position	Presentation topic	Photo	
The Second day (Wednesday) January 25, 2023	Health Information Management and Policy Making					
	13:30- 13:45	Dr.Ali Alizadeh	Ph.D in nanobiotechnology,, Faculty member of Tehran University of Medical Sciences	Digital Health National Regulation System Framework; Requirements and Challenges		
	13:45-14:00	Dr. Farhad Fatehi	Faculty member of University of Queensland, Brisbane, Australia	Integration of Mobile Health and Electronic Health Record- The Policy of Australia		
	14:00-14:15	Dr. Asghar Ehteshami	Ph.D in information management, Faculty member of Isfahan University of Medical Sciences	The influential Factors on Developing the Mobile Health in Iran		
	14:15-14:30	Dr. Mahnaz Samadbeik	Ph.D in in Health Information Management, Faculty member of Lorestan University of Medical Sciences	Mobile Health data Security and Confidentiality		
	14:30-15:00	First panel: policies and strategies for mobile health information management Chair of the Pannel :Dr. Rokhsana Sharifian Panel members: Dr. Farkhondeh Asadi, Dr. Marjan Ghazi Saeedi, Dr. Hossein Parsaie, Dr. Behnam Hanarvar				
	15:00-15:15	Break/ Reception/ Presentation of Papers				
	15:15-15:30	Dr. Farkhondeh Asadi	Ph.D in in Health Information Management, Faculty member of Shahid Beheshti University of Medical Sciences	Metaverse and Health Care Information Security		
	15:30-15:45	Dr. Leila Erfan Nia	Ph.D in in Health Information Management, Faculty member of Shiraz University of Medical Sciences	Mobile Health Opportunities in COVID-19 pandemic: A Health Information Management approach		
	15:45-16:00	Dr. Azade Bashiri	Ph.D in in Health Information Management, Faculty member of Shiraz University of Medical Sciences	Mobile Health Technology and Electronic Health Record		

	Time	Lecturer	Position	Presentation topic	Photo
The Second day (Wednesday) January 25, 2023	16:00-16:15	Dr. Roksana Sharifian	PhD in Health Information Management, Faculty member of Shiraz University of Medical Sciences	Mobile Health- Data Standards	
	16:15-16:45	<p>The second panel: Policies and strategies for updating mobile health information in line with health knowledge production Chair of the Pannel :Dr. Fateme Rangerz Jedi</p> <p>Panel members: Dr. Mehrdad Farzandipour, Dr. Azita Balaghaffari, Dr. Nasrin Davari Dolatabadi, Dr. Zahra Mahmoodzadeh</p>			
	16:45-17:00	Dr. Azita Yazdani	PhD in Health informatics, Faculty member of Shiraz University of Medical Sciences	Data Analytics in Mobile Health	
	17:00-17:15	Dr. Somayieh Zakir Abbas Ali	PhD in Health informatics, Faculty member of Shiraz University of Medical Sciences	Evaluation of Applications in Health	
	17:15-17:45	<p>The third panel: Mobile health data analysis methods Chair of the Panel: Dr. Saeed Saeidinejad</p> <p>Panel members: Dr. Jahanpour, Dr. Ahmadiyan, Dr. Khajooie, Dr. Alipour, Dr. Dehghani,</p>			

	Time	Lecturer	Position	Presentation topic	Photo
The Second day (Wednesday) January 25, 2023	Mobile Health for Crisis Management				
	13:30-13:50	Dr. Mohammad Javad Moradiyan	Ph.D in Disaster & Emergency Health, Faculty member of Shiraz University of Medical Sciences Head of Medical Emergency and Accident Management Center in Fars province	The role of telemedicine in the Covid-19 crisis management	
				Practical applications for management of COVID-19 in Asian countries	
	13:50-14:10	Dr. Behnaz Rastgaar far	PhD in Disaster & Emergency Health., Assistant Director of Medical Emergency and Accident Management Center in Fars province	Remote work in Asayar system during the COVID_19 pandemic	
	14:10-14:30	Dr. Reza Habibi Saravi	Ph.D in Disaster & Emergency Health, Head of Disaster Management and Medical Emergencies Center at Mazandaran	Use of mobile phone data for estimating population densities in the disaster area	
				Application of the mobile phone network in early warning systems	
	14:30-14:40	Dr. Abbas Ostad Taghizadeh	Ph.D in Disaster & Emergency Health., Faculty member of Tehran University of Medical Sciences	Designing and producing a system for monitoring and assessment of the resilience of emergency responders	
	14:40-14:50	Dr. Ali Nasiri	Ph.D in Disaster & Emergency Health., Faculty member of Baqiyatallah University of Medical Sciences	Lessons learned from local experiences in disaster management	
15:00-15:15	Reception break/ Presentation of Papers				

پنجمین کنگره بین المللی سلامت همراه

ایران - شیراز

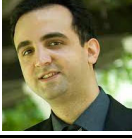

۴ لغایت ۶ بهمن ماه ۱۴۰۱

The Second day (Wednesday) January 25, 2023	Workshop Title: Data Dictionary: Basics, Concepts and development Time : 08:00-12:00			
	Post	Name	Position	Photo
	Workshop manager	Dr. Leila Erfan Nia	Ph.D in health information management, faculty member of Shiraz University of Medical Sciences	
Instructor	Fatemeh Niknam	Ph.D candidate in health information management		

The Second day (Wednesday) January 25, 2023	Workshop Title : PACS Administrator Time : 13:30-18:30			
	Post	Name	Position	Photo
	Workshop manager	Dr. Alireza Shakibafard	Radiologist, Head of the Society of Radiology of Fars province	
	Instructor	Mohammad Reza Nematollahi	Master of medical Informatics, Secretary of PEX Committee affiliated with Shiraz University of Medical Sciences	
Instructor	Saeed Farjadian	Software engineer, managing director of Pars Raika Teb afzar Company		

	Time	Lecturer	Position	Presentation topic	Photo
The Third day (Thursday) January 26, 2023	Mobile Health in Digestive and liver Diseases and Organ Transplantation				
	08:00-08:20	Dr. Kamran Bagheri Lankarani	Sub-specialist in Adult Gastrointestinal & Liver, Faculty member of Shiraz University of Medical Sciences	Digital health in management of IBD	
	08:20-08:40	Dr. Reza Malekzadeh	Sub-specialist in Adult Gastrointestinal & Liver, Faculty member of Tehran University of Medical Sciences	Mobile Health Experiences for Gastroenterology and Liver Caregivers	
				Prevention of premature deaths in Iran using digital systems	
	08:40-09:00	Dr. Seyed Ali Malek Hosseini	Transplant surgeon, faculty member of Shiraz University of Medical Sciences	Progress in liver transplantation and the demand of online and offline healthcare services after transplantation	
	09:00-09:20	Dr. Ramin Niknam	sub-specialist in Adult Gastrointestinal & Liver, Faculty member of Shiraz University of Medical Sciences	The importance of digital technology in gastrointestinal and liver diseases	
	09:20-09:40	Dr. Hamed Nikopour Deilami	Fellow of abdominal organ transplant/hepato-pancreaticobiliary surgery, Faculty Member of Shiraz University of Medical Sciences	The role of mobile health software in liver transplant patients	
	09:40-10:00	Dr. Farshad Khunjush	Faculty member of Shiraz University	Mobile health trends, opportunities and challenges	
	10:00-10:15	Reception/ Presentation of Papers			
	10:15-10:35	Dr. Seyed Mohammad Soleimani	Sub-specialist in Adult Gastrointestinal & Liver	The role of mobile health software in chronic liver disease	
10:35-10:55	Dr. Tahereh Mahmoodi	Ph.D in biomedical engineering, Faculty member of Shiraz University of Medical Sciences	Artificial intelligence in digestive and liver diseases		

	Time	Lecturer	Position	Presentation topic	Photo
The Third day (Thursday) January 26, 2023	Mobile health and virtual reality (Metaverse, simulator, etc.)				
	8:30-9:00	Prof. Ali Akbar Jalali	Faculty member of Maryland university and Science and technology university, USA&Iran	The future of Medical Care in Metaverse	
	9:09:30	Prof. Amir Sharafkhaneh	Faculty member of Medical School Houston University, USA	The Awakening of Health Services to Communication Technology: The Miracle of COVID-19 Pandemic	
	9:30-10:00	Prof. Amir Rahmani	Computer Sciences, Faculty member of University of California, Irvine, USA	Future Health: Harnessing the Power of Everyday Data, Personal Models, and Cybernetic for Health Promotion	
	10:00-10:15	Reception/ Presentation of Papers			
	10:15-10:35	Dr Hamid Mohammadi	Pediatric Cardiologist, Faculty member of Shiraz University of Medical Sciences	MedicalChain: How blockchain might change the medicine?	
	10:35-11:00	Dr Ali Darejeh	Computer science at University of New South Wales, Australia	Mind Control as a New Form of Interaction in Immersive Technologies	
	11:00-12:00	Panel Discussion: Visualization and Virtualization technologies and Laboratories for HealthCare Chair: Prof. Ali Akbar Safavi Members: Dr. Hamid Mohammadi, Dr Ali Darejeh, Dr Nahid Zarifsanaiyeh			

	Time	Lecturer	Position	Presentation topic	Photo	
The Third day (Thursday) January 26, 2023	12:30-12:35	Closing video				
	12:35-12:40	Dr. Seyed Jalil Masoumi	Secretary of the Congress, PhD in Nutrition, Faculty member of Shiraz University of Medical Sciences , Head of the Incubator Center of Information Technology, Shiraz University of Medical Sciences	Speech of the Secretary of the Congress		
	12:40-12:50	Dr. Seyed Vahid Hosseini	Chancellor of Shiraz University of Medical Sciences	Speech of the Chancellor, Shiraz University of Medical Sciences		
	12:50-12:55	Dr. Mohammad Hashem Hashempour	Deputy of Research and Technology, Shiraz University of Medical Sciences	Speech of the Deputy of Research and Technology, Shiraz University of Medical Sciences		
	12:55-13:10	Dr. Younes Panahi	Deputy Minister of Research and Technology, Ministry of Health and Medical Education	Speech of Deputy Minister of Research and Technology of the Ministry of Health and Medical Education		
	13:10-14:00	Best paper awards				
	14:00-14:30	lunch break
